

KENO, KENO BONUS, KENO PATTERN PLAY AND KENO DOUBLER GAME CONDITIONS

1. RULES AND REGULATIONS

Keno, Keno Bonus, Keno Pattern Play and Keno Doubler are governed by the Rules and Regulations Respecting Lotteries and Gaming of British Columbia Lottery Corporation (“**BCLC**”) which include limitations of liability and are available from BCLC upon request.

2. ISSUANCE OF TICKETS

To participate, a person must present a properly completed Keno and Keno Bonus selection slip, or a Keno Pattern Play selection slip and pay the authorized retailer or BCLC, where applicable, \$1, \$2, \$5 or \$10 wager for each completed KENO selection per draw. The cost of Keno Pattern Play is \$2 per play. Keno Bonus is not available on Keno Pattern Play. If the person elects to play Keno Bonus, the person must pay the authorized retailer or BCLC, where applicable, an additional amount per draw equal to the cost of the Keno selection(s). Keno Bonus is only available if a person participates in the KENO draw. Keno Doubler designation indicates the opportunity to randomly win double the prize amount, on Keno, Keno Bonus and Keno Pattern Play tickets. Keno Doubler is free. Only valid prize claims are eligible and the Keno Doubler designation in itself does not denote a win. From 1 to 10 numbers may be played for each selection whereupon a ticket as defined in the Rules and Regulations Respecting Lotteries and Gaming will be issued showing the Draw Day (as defined below) on which the ticket was purchased, the selection(s), the amount(s) wagered for each selection, the draw number(s), the control number(s) or ticket ID number, and where applicable, a Keno Doubler designation may randomly appear and other relevant information. The maximum wager on Keno is \$100; on Keno Bonus is \$100. The total maximum wager per selection on Keno is \$200. Keno Pattern Play wagers can be multiplied and the maximum wager is \$490 (maximum 49 draws X \$2 X 5 patterns). Consecutive draws can be played by marking the appropriate number in the applicable box on a selection slip or selecting on the PlayNow web site and paying the appropriate amount to the authorized retailer or BCLC, where applicable. Keno Pattern Play and Keno Doubler are not available on PlayNow.

3. DRAW DAY AND DRAW

Draws occur at intervals as determined by BCLC commencing on or after 4:50 a.m. to approximately 4:00 a.m. Pacific Time (the “**Draw Day**”).
